Isabella Coccozza focuses her practice on high stakes health care litigation, representing managed care organizations, third-party administrators, and plan sponsors in a variety of complex commercial disputes.

While in law school, Isabella served as an article editor of the *Women's Rights Law Reporter*. While in law school, Isabella was a judicial intern for the Honorable Rose Marie DeFino-Nastasi of the Philadelphia County Court of Common Pleas, Homicide Division. Isabella was also an in-house legal intern at the national governing body for track and field and a provider of title insurance and settlement services to the real estate and mortgage industries.
